

Promoting a Safer Church Parish Policy Statement

The Parochial Church Council of Elmdon agreed to adopt all of the House of Bishop's safeguarding policy and practice guidance and The Church of England – Birmingham's procedures for their implementation on 1st May 2018

All forms of abuse are wrong and must stop

The care and protection of children, young people and vulnerable adults involved in Church activities is the responsibility of the whole Church. Everyone who participates in the life of the Church has a role to play in promoting a Safer Church for all.

Our commitments:

1. Promoting a safer environment and culture
2. Safely recruiting and supporting all those with any responsibility related to children and vulnerable adults within the Church
3. Responding promptly to every safeguarding concern or allegation
4. Caring pastorally for victims/survivors of abuse and other affected persons
5. Caring pastorally for those who are the subject of concerns or allegations of abuse and other affected persons
6. Responding to those that may pose a present risk to others

We will implement good safeguarding practice by ensuring:

- safer recruitment procedures in place;
- effective working with statutory and voluntary sector partners;
- we have publicly advertised arrangements for children, young people and vulnerable adults to be able to speak to an independent person, as required;
- our complaints and whistleblowing procedures are well publicised;
- effective information sharing;
- good record keeping.

A church officer is anyone appointed or elected to a role on behalf of the church whether they are lay or ordained, paid or unpaid
