

Thinking about....

angels

Angels are God's personal messengers.

Angels can be...

- Majestic
- Mighty
- Friendly
- Fearsome
- Powerful
- Approachable

Angels appear in lots of places in the Bible.

Here are some of the things they do:

-  Stop lions' mouths
-  Bring important news
-  Lead the way into battle
-  Lead the way out of danger

What do angels look like?

Sometimes they have wings.

Sometimes they just look like regular people!

What next?

You could...

- Add some pictures to this page
- Tell God what you think about angels. Or ask him some questions.
- Use some of the craft bits to make an angel, or an angel picture

This is a trial craft pack. Please email any feedback to children@elmdonchurch.org.

Your grown-up is invited to email a photo of anything you have drawn, written or made to children@elmdonchurch.org for the church's Facebook page.
