

Thinking about....

# God's Holiness

**God is the most special and holy King ever, and he wants to make us holy too.**

God is absolutely perfect. He is completely and utterly better than we can begin to imagine. He never does anything wrong. He is good all the way through, all the time. He is holy.

And God is in charge! He is the most special and holy King ever.

We aren't like that. We do things that are wrong. But God wants to make us special and holy too.

He does that by forgiving us through Jesus, then helping us to be holy.

## Listen out for...

Graham is going to tell us how Jesus being a lamb is God's solution to making us holy. Listen up in the sermon...

## What next?

You could...

- Make a crown to remind you that God is the most special and holy King ever.
- Think of some things you've done that are wrong. Draw God a picture to say you're sorry.
- Make a lamb. Think about how God forgives us through Jesus.
- Talk to God about some ways you could be holy. Listen for his ideas.

We would love to post online anything you have drawn, written or made! Your grown-up is invited to email a photo to [children@elmdonchurch.org](mailto:children@elmdonchurch.org), with the message "For Elmdon Church's Facebook page."
