

Thinking about....

Prayer

Prayer is talking to God and listening to him. Or just spending time with him.

What can you talk to God about?

Here's what some people in the Bible prayed about:

- Things they liked about God
- Things they wanted to say sorry for
- Things that made them sad
- People they loved
- Things that were unfair
- Things they needed

We would love to post online anything you have drawn, written or made! Your grown-up is invited to email a photo to children@elmdonchurch.org, with the message "For Facebook."

Where can you pray?

People in the Bible prayed in various places:

-  On a boat
-  Up on a hill
-  On a road
-  In a house
-  Somewhere quiet by themselves
-  Somewhere busy with other people

You can pray anywhere!

What next?

You could...

- Think about different places where you could pray.
- Draw some people you love. Talk to God about them. Ask him what he would like to do for them.
- Make a collage. Talk to God while you are sticking and making.
