News, and dates for your diary:

Bleed control emergency kit: We are advised by Chris Rumney, Project Lead for the supply of the defibrillator sited in Elmdon Church courtyard that in light of the recent tragic stabbing incidents in Hall Green and elsewhere, it is important that people are aware there is a bleed control emergency kit stored inside the cabinet housing the defibrillator.

Tearfund Lent Devotional: If you would like to sign up for a weekly email of reflections, stories and prayers helping you to draw closer to God as we approach Easter, visit www.tearfund.org/campaigns/lent-devotional .
