News, and dates for your diary:

CaptionKit - service captions and translations: Good news! Following positive feedback from the CaptionKit trial, the PCC would like to continue to be able to offer the ability for individuals to receive realtime captions for the service to their mobile phone.

There is a cost of around £18 a month to provide this service, but we feel this is worthwhile - we want our worship and the Good News of Jesus to be accessible to everyone.

We wanted to share this with you as an example of what giving financially to Elmdon Church makes possible. The work of Elmdon Church is generously funded through the regular giving of church members and whilst the PCC seek to steward our resources carefully, in the area of our finances, our monthly expenditure currently exceeds our monthly income. To sustain our current expenditure and grow our ministry and mission, we do need to increase our income. If you would consider yourself a member of Elmdon Church and can help us to do this, please do speak with Alan, our Treasurer, who would be glad to discuss with you any matter relating to our finances and giving to Elmdon Church.

Midland Women's Convention: Saturday, 18th October at Renewal, Solihull.
